

ANNALS *of* THE NEW YORK ACADEMY OF SCIENCES

Editor-in-Chief, Douglas Braaten (dbraaten@nyas.org)

Invitation to prepare a multi-author Review Article with other speakers from your session

- Should be a single synthetic discussion of the topics covered in your session
- Individual topics are discussed in separate sections of the review
- Will be peer reviewed!
- **Not a list separate summaries from each speaker**
- **Not including any unpublished data**

Examples can be found in *Ann NY Acad Sci* (2018) 1434: 1-369 [Special Issue: Global Perspectives on Esophageal Diseases](#)
